

SOLMIG 180

Ref. 54004

❓ The **SOLMIG 180** by Solter is the perfect combination of **power, control, and ease of use**. Designed for **MIG/MAG welding**, it is ideal for maintenance work, metal carpentry, and light industrial projects. With its **power of up to 180A** and **6 adjustment levels**, it allows you to adapt the welding process to different materials and thicknesses, ensuring uniform and professional results. Additionally, its **adjustable timer** optimizes each weld bead, reducing spatter and improving the final finish. Thanks to its **compact and ergonomic design**, the **SOLMIG 180** is easy to transport and connect with its **standard Euroconnector**. **Make every weld count with Solter's precision!**

Main Features:

- ❓ **Adjustable Power for Every Need:** With a maximum intensity of 180A, this machine enables welding on steel, stainless steel, and aluminum, delivering clean and flawless welds.
- ❓ **Precise Adjustment for a Superior Finish:** Its 6-point adjustment system gives you full control over power, adapting to different thicknesses and material types.
- ❓ **More Stable Welds Without Interruptions:** The adjustable timer, up to 15 seconds, helps maintain a consistent rhythm, ensuring uniform weld beads without overheating.
- ❓ **Smooth Wire Feeding:** Its advanced 2-roll drive system prevents jams and ensures a continuous material flow, enhancing efficiency in every weld.
- ❓ **Greater Autonomy & Comfort:** Compatible with D300 wire spools of up to 15 kg, allowing for extended welding sessions without constant replacements.
- ❓ **Easy Connection & Full Compatibility:** Thanks to its standard Euroconnector, you can easily swap torches, expanding its range of applications.
- ❓ **Todo lo que necesitas, incluido:** La SOLMIG 180 viene **equipada con antorcha MIG, pinza de masa y regulador de gas**, para que puedas empezar a trabajar desde el primer día sin necesidad de accesorios adicionales.
- ❓ **Compact Design & Easy Transport:** Its robust yet lightweight structure ensures easy mobility, allowing you to work comfortably in various locations.
- ❓ **Trust Solter for tools designed to deliver the performance and precision you need for your projects.**
