

## **TORCH 4M TIG SR-18W D35/50**

Ref. 56076

\xa02 La Antorcha TIG SR-18W de 4 metros. Diseñada para profesionales que buscan rendimiento, resistencia y precisión, esta antorcha es la aliada perfecta para trabajos de alta exigencia. Su ciclo de trabajo del 320A -100% garantiza soldaduras continuas sin interrupciones, mientras que la refrigeración por agua evita sobrecalentamientos y alarga la vida útil de los consumibles. Con su conector DINSE 35/50 y un diseño ergonómico, ofrece máxima estabilidad, seguridad y comodidad. Desata todo tu potencial en soldadura. ¡Lleva tu trabajo al siguiente nivel con Solter!

#### **Main Features:**

- Extreme performance without limits: With a capacity of up to 350A in DC and 250A in AC at 100% duty cycle, this torch allows you to perform intensive work without interruptions.
- Smart water cooling: Maintains an optimal temperature to prevent overheating and extend the lifespan of consumables, providing you with maximum efficiency and reduced maintenance.
- ② Uncompromising precision: Compatible with electrodes from 0.5 mm to 4 mm, ensuring clean, high-quality welds on any type of material.
- ② Optimized mobility: With its 4 meters, it provides freedom of movement without the need to constantly move the equipment, increasing your productivity.
- **Robust construction for intensive use:** Designed to withstand the most demanding conditions in the workshop or on-site, ensuring **long-term durability and resistance**.
- ${f ?}$  Ready to use: Includes ceramic nozzles, collets, and a long back cap , so you can start welding right away.
- ② Solter is synonymous with innovation, precision, and reliability. With this torch, every weld will be flawless.
